

# WHITE NIGHT

## on Pah Road

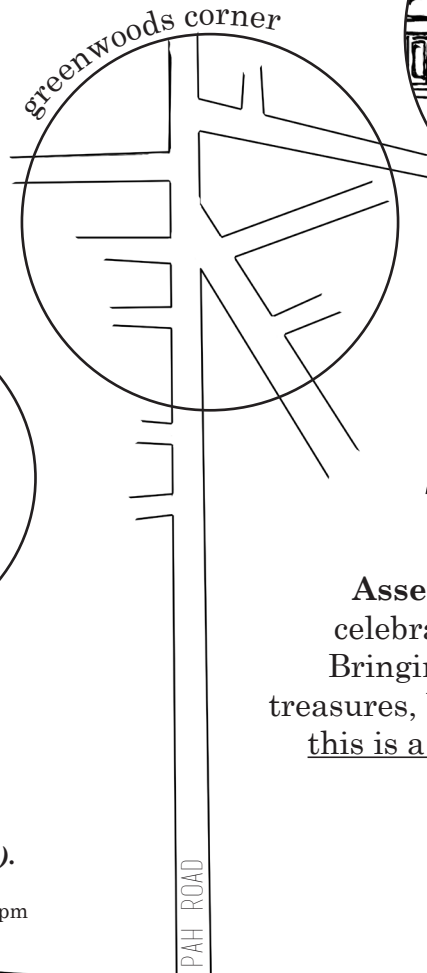

### THROUGHOUT THE NIGHT

At Greenwood's Corner...

A colourful global mix of dance, music and spoken word performances will take place around the village, while communal activities from lantern making and group-knitting to the creation of a well-lit scraffiti wall, extend the Assemblage art theme.

At both venues, visitors are invited to **BRING MAKE TAKE** and add a piece to our collaborative artwork that will be combined at Greenwood's Corner at the end of the evening.

**SHUTTLE** Hop on our courtesy shuttle and journey from the Pah Homestead (Monte Cecilia Park entrance on Korma Road) to Greenwood's Corner (and back). Shuttle runs continuously from 6pm to 9pm

### AT THE PAH HOMESTEAD

Assembly is a White Night celebration like never before. Bringing together collections, treasures, beats, words and craft, this is a gathering of all things creative.
